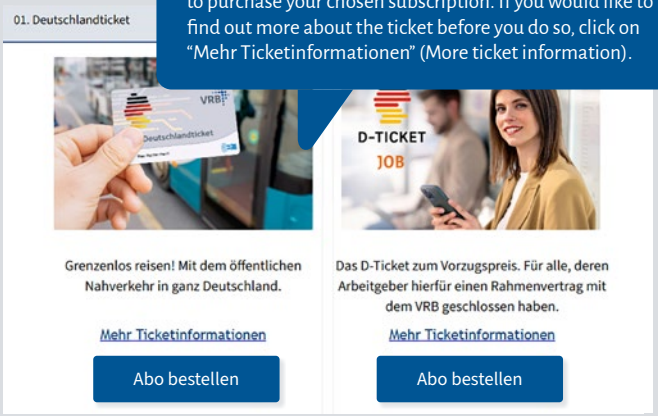
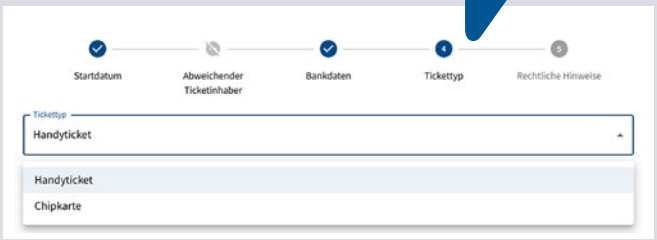
Purchase subscription

Subscribe in just a few steps

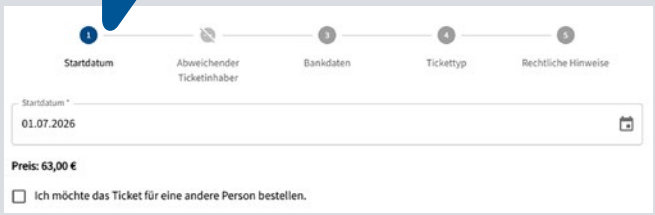
Select subscription
Click on the “Abo bestellen” (Purchase subscription) button to purchase your chosen subscription. If you would like to find out more about the ticket before you do so, click on “Mehr Ticketinformationen” (More ticket information).



Select ticket type
Please specify the format in which you would like to receive your subscribed season ticket.

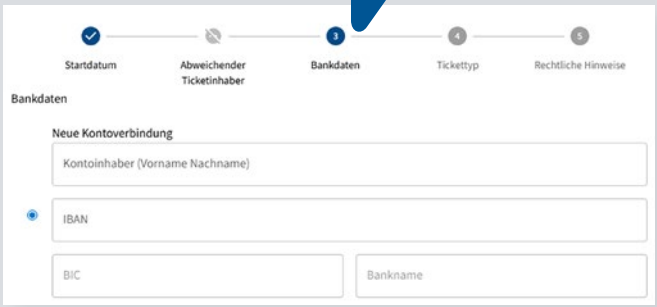


Select start date
A subscription always starts on the first day of the month. The deadline for purchasing a subscription is the 20th of the previous month.



Review order
Before purchasing your subscription, a summary of your details will be displayed. If everything is correct, complete the purchase. You will receive a confirmation via email.

Enter bank details
Please enter your account details for the SEPA direct debit. The amount is debited in advance on the first of each month.

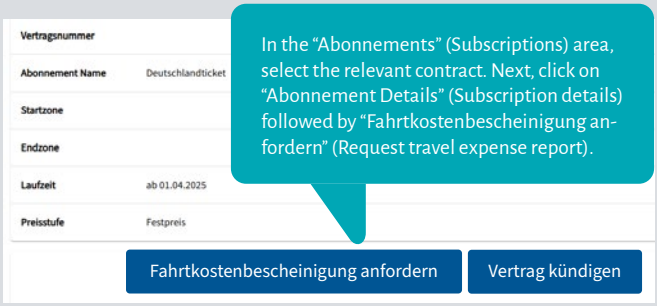


You can also purchase a subscription for someone else. Please provide us with their details under “Abweichender Ticketinhaber” (Nominated ticket holder).

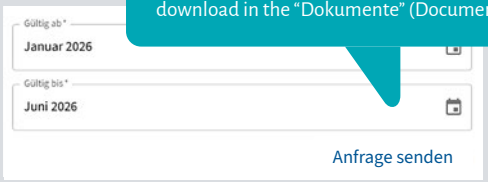
Done!
You will receive your ticket in time for the subscription start date.

Manage subscriptions and data

Create travel expense report

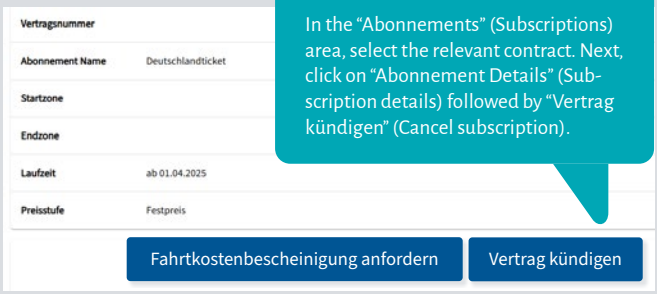


In the "Abonnements" (Subscriptions) area, select the relevant contract. Next, click on "Abonnement Details" (Subscription details) followed by "Fahrtkostenbescheinigung anfordern" (Request travel expense report).

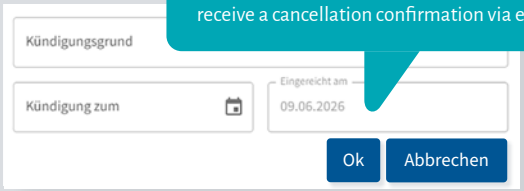


Enter the desired period for the travel expense report and click "Anfrage senden" (Submit request). The report will be created immediately and will be available for download in the "Dokumente" (Documents) area.

Cancel subscription



In the "Abonnements" (Subscriptions) area, select the relevant contract. Next, click on "Abonnement Details" (Subscription details) followed by "Vertrag kündigen" (Cancel subscription).



Select the reason for cancellation and the desired contract end date, then click "Ok". You will then receive a cancellation confirmation via email.

Manage personal details
